Judge Trauger/Brown
Jury Demand

O R D E R

A continuation of the settlement conference was held in this matter on April 9, 2012. Although the parties continued to bargain in good faith an agreement satisfactory to both sides could not be reached.

The undersigned has advised the parties that he remains available to work with them should positions change. It is possible that the sides may reconsider their positions once they have undertaken some discovery and the issue of class certification has been clarified.

It is so **ORDERED**.
